## From Leadership Team

This term is really flying by! I can't believe that it is week 7 already. Teachers are busy finalising mid-year reports. These will be sent home in week 10. The production timetable is beginning to have a sense of urgency as the performance dates get closer. Have you organised your tickets yet? It is only 2 weeks to our "Colour Fun Run". Check out our fundraising thermometer outside the staff room.

### Nationally Consistent Collection of Data on School Students with Disability (NCCD)

All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education (2005). From 2018, this data will be used as the basis for national funding.

The NCCD involves the collection of;

- the number of students receiving adjustments to enable them to participate in education on the same basis as other students
- the level of adjustment provided to students
- student's type of disability if known

Under the model the definition of disability is broad and includes learning difficulties, health and mental health conditions.

If your child is identified for inclusion in the Collection, the required information will be included in this year's data collection.

If you have any questions about the data collection, please contact Jean Perks on 82645277. Further information can be found at:

## Assembly Merit Awards

Name	Room	Value / Key To Success
Lucas	2	For becoming confident with solving maths tasks, especially in number. Well done Lucas!
Scarlett	2	For improving her literacy skills by practising sightwords and reading at home. Scarlett is also growing in confidence with writing. Great job!
Jayda	3	For being a caring student towards other class members and for always having a very positive attitude to learning.
Tyler	3	For working hard during Literacy groups and having a go at more challenging tasks.
Elexxis	5	For displaying a caring attitude towards others. You are a kind friend and your big smile makes everyone feel happy.
Ramiar	5	For making a big improvement in your attitude – you are demonstrating a Growth Mindset and trying hard to improve your learning. Well done!
Amelia	7	For always working well and trying to do your best work and for persisting with tasks even when they are a bit challenging.
Jaxen	7	For being a responsible class member and for approaching all learning tasks with a positive outlook. Great work in maths. Well done!
James	10	For being super organised every morning and ready to work. Keep up the good work!
Grace	10	For making an extra effort to improve your handwriting and amount of writing you do.

Artin	11	For being a friendly and kind member of Room 11. Your bright smile and positive attitude towards your learning is fantastic to see!
Breanna	11	For always showing persistence when faced with a challenge and working hard to achieve her goals. You always amaze me with your kind and positive nature. Keep it up!
Avryl	12	For going out of her way to be accepting of everyone. Her kindness is something others should aspire to.
Riley	12	For making a consistent effort to be organised in the morning and always having a growth mindset.
Tahlia	15	For pushing herself in her academics and working really hard to improve her problem solving ability in math.
Haydn	15	For fantastic engagement with a math program and building his fluency skills to a great level.
Callum	19	For making a real effort to take advice on board. He has really improved this term in both his work and behavior. We are now seeing his ability to get on task and be a valuable class member
Sienna	19	For really growing in confidence, having a go at tasks without fear now and being confident to ask when she is unsure. I'm really proud of her efforts.
Hannah Rm 11	PE	For trying hard when presenting her speech to the class.
Kane	PE	For being super enthusiastic when designing his game in PE.
Shaylah Rm 2	Japanese	For showing respect in the Japanese classroom.
Lucas Rm 5	Japanese	For showing excellence during group hiragana games.

### HOW TO FUNDRAISE

Create a student profile page **online** at [schoolfundraising.com.au](http://schoolfundraising.com.au) **OR**

Use the back page of your Fun Run booklet to collect and record **cash sponsors**

## RECYCLE CANS & BOTTLES

Please donate any cans/bottles into the BIG wooden crates or Big bags that are located around the school by 28<sup>th</sup> June.

Our aim is to raise enough money to donate an X-box to the Starlight Foundation to entertain sick kids who need to spend time in hospital.

All cans donated will also contribute to the School's Fun-run Fundraising total.

# AN EVENING WITH **MARK LE MESSURIER**

**One of our communities favourite speakers is back!**

Please join us for an evening of practical ideas to support your child to develop one of life's most desirable qualities, how to

**Persevere**

This session, developed for parents/carers and educators of children aged 0- 14 years, will highlight the practical things we can do to improve our children's capacity to persevere and move beyond the 'I can't' and the 'I was gonna' into being doers and achievers.

Mark will help us explore why grittier kids and adults are ones who are less likely to give up when faced with a challenge and more likely to want to find a way to accomplish a task.

**Join us to learn..**

- **How we can support our children and young people who say "I can't"? Or appear to give up easily?**
- **What happens for our children when we're tempted to step in and *rescue* them?**
- **Why is being perseverant a significant character trait in being able to succeed in life?**

Along with why the ability to persevere is at the core of resilience, self- awareness, expressing emotions appropriately, understanding relationships and the skills of negotiation and conflict resolution.

**Everyone is welcome to join us for this FREE seminar**
