Nature Play

I'm pleased to share that we are approaching the concluding stages of our nature play construction. This week, Climbing Tree staff are working on the finishing touches. Kidsafe SA will be conducting a safety audit today, after which time they will provide our site with a verbal and written report. The findings of this safety report will determine when we are permitted to allow children to use this space. My hope is that this will occur sometime in week 5. On Friday 16 August small groups of children from each room will have the opportunity to be involved in planting in our nature play with a consultant from Climbing Tree.

Congratulations Martin

I'd like to take this opportunity to congratulate Martin Woodcock on 20 years of service working with the Department for Education. We thank Martin for his 20-year commitment to improving the lives of children and young people. Thank you for your contribution to public education and child development in South Australia, Martin.

Father's Day Breakfast Morning – Thursday 29 August

In the lead up to Father's Day, **all children and families** are invited to a free school pancake breakfast on **Thursday 29 August 7.45-8.50am**. This is a community building opportunity in which everyone is welcome to be a part of (father's, mothers, all family members, children and so on).

The breakfast will take place in front of the staffroom and provides an opportunity for families to spend time with their loved ones. Thank you to Simon and Tea Tree Gully Uniting Church for organising this breakfast opportunity.

Book Week Parade – Thursday 22 August 9.00am

Book Week provides us with an opportune time to remind ourselves about the importance of books and reading in our lives. One of the most important things we can teach our children is an enjoyment for reading. Our teachers are working extremely hard to provide a balanced reading program aimed at catering for the individual needs of each child in their respective classes. If you haven't already done so I would encourage you to have a conversation with your child's teacher about their reading progress and how we can all continue to do our part so that your child can reach his or her full potential.

The theme for Book Week this year is "Reading is My Secret Power". As a celebration of reading we invite children to dress up as their favourite book character on Thursday 22 August - Week 5. There will be a **whole school Book Week Parade in the gym from 9am on this day.**

Please consider the weather conditions and ensure that your child is appropriately dressed and wearing suitable footwear (e.g. no thongs). Students may wear hair colour and make-up, but it must be put on at home and not brought to school. This is not a casual clothes day and therefore any student not wearing a costume must wear their school uniform.

Supporting Those less Fortunate

Thank you to the families and children from room 3 for their amazing efforts in supporting the Hutt St Centre. Below is a photo of all the items they have donated and is a beautiful sign of their kindness and generosity. Well done to the room 3 children who have personally decorated cotton bags which will be used to create care packs for South Australia's homeless. A big thank you to Mrs Lymn and Lily Ttofa for organising this very important initiative.

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education. This data is used as the basis for national funding.

The NCCD involves the collection of;

- the number of students receiving adjustments to enable them to participate in education on the same basis as other students
- the level of adjustment provided to students
- student's type of disability if known

Under the model the definition of disability is broad and includes learning difficulties, health and mental health conditions. If your child is identified for inclusion in the Collection, the required information will be included in this year's data collection.

Further information can be found at: <http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability>.

Room 7's excursion to the Art Gallery

Last term, we went to the Art Gallery to learn about Aboriginal art and sculptures and to have an art class with Ruby, the artist. We looked at three different metal sculptures and Ruby told us it was important to notice the different shapes, angles and shadows in them so we could draw them. It was good fun! At school we looked at the abstract artwork by Wassily Kandinsky, a Russian artist, who used shapes and colour to express his feeling. Then we had a go to make our own abstract art. By Room 7.
